H) ISSUES REGARDING EVIDENCE

a) Guidelines

(Articles 24-25 of the UNCITRAL Arbitration Rules)

41. The disputing parties agree that provisions of the *International Bar Association's Rules on the Taking of Evidence* ("IBA Rules") shall be followed as guidelines on:
- the exchange of documents (Article 3 of the IBA Rules, excepting Article 3.12, concerning confidentiality, which shall be governed by the Confidentiality Order);
 - the presentation of evidence by fact and expert witnesses (Articles 4 and 5 of the IBA Rules);
 - on site inspection (Article 7 of the IBA Rules);
 - the conduct of the evidentiary hearing (Article 8 of the IBA Rules); and
 - the admissibility and assessment of evidence (Article 9 of the IBA Rules).

b) Document production

42. The disputing parties may request documents from each other. Any request shall identify a specific document or a narrow and specific category of documents and establish the relevance of each document or category of documents. The parties may refer any dispute to the Arbitral Tribunal. These requests, which may be made only after the disputing parties have exchanged their Statements of Claim and Defence (as provided in para. 35), shall be presented in the form of a table ("Redfern Schedule") comprising four columns:

- first column: identification of the document(s) or the category or categories of document(s) that have been requested;
 - second column: short presentation of the reasons of each request;
 - third column: a summary of the objections by the other disputing party to the production of the requested document(s);
 - fourth column: left blank for the decision of the Arbitral Tribunal.
43. The third column shall be completed at the time of the filing of the objections to production (December 1, 2008). The second column may be supplemented at the time of the responses to objections (January 12, 2009).
 44. The Arbitral Tribunal may then, in its discretion, order one disputing party to communicate to the other documents or limited categories of documents. In the exercise of its discretion, the Arbitral Tribunal will have regard to the specificity of the request, the relevance of the requested documents, the fact that they are in the possession, power or control of the disputing party from whom they are requested, the legitimate interests of the opposing disputing party, including any applicable privileges, and all surrounding circumstances.
 45. Documents so communicated shall not be considered on record unless and until the requesting disputing party subsequently produces them.
 46. In addition, the Arbitral Tribunal may of its own motion order a disputing party to produce documents at any time.

c) Fact Witnesses

47. Any person may present evidence as a witness, including a disputing party or its officials, officers, employees or other representatives.
48. For each witness, a sworn or affirmed witness statement shall be submitted to the Arbitral Tribunal in accordance with the schedule set out above, unless the disputing parties cannot obtain such a statement from a witness for a legitimate reason which such party shall explain to the Arbitral Tribunal. Each witness statement shall state the witness's name, birth date, present address and involvement in, or relation to, the case.
49. Each party shall be responsible for calling its own witnesses to an oral hearing, except when the other disputing party has waived cross-examination of a witness or expert and the Arbitral Tribunal does not direct his or her appearance.
50. Each party shall advance the costs of appearance of its own witnesses. The Arbitral Tribunal will decide upon the appropriate allocation of such costs in its final award.
51. At the request of a disputing party or on its own initiative, the Arbitral Tribunal may call a witness to appear.
52. If a witness fails to appear when first called to an evidentiary hearing, the Arbitral Tribunal may call the witness to appear a second time if it is satisfied that there was a

valid reason for the first failure to appear and that the testimony of the witness is relevant and material to the outcome of the case.

53. The Arbitral Tribunal may consider the witness statement of a witness who provides a valid reason for failing to appear, when called to an evidentiary hearing or whose cross examination has been waived, having regard to all the surrounding circumstances.
54. At oral hearings, the examination of each witness shall proceed as follows:
- (i) the party summoning the witness may briefly examine the witness;
 - (ii) the adverse party may then cross-examine the witness;
 - (iii) the party summoning the witness may then re-examine the witness with respect to any matters or issues arising out of the cross-examination, with re-cross examination to be granted only with leave from the Arbitral Tribunal; and
 - (iv) the Arbitral Tribunal may examine the witness at any time, either before, during or after examination by one of the disputing parties.
55. A fact witness shall not be present in the hearing room during the hearing of oral testimony, discuss the testimony of any other witness who has already testified prior to giving his/her testimony, or read any transcript of any oral testimony, prior to his or her examination, except with the express permission of the Arbitral Tribunal upon request from a party. This condition does not apply to expert witnesses. For good cause, the Arbitral Tribunal may change this rule.
56. The Arbitral Tribunal shall, at all times, have complete control over the procedure for hearing a witness. The Arbitral Tribunal may in its discretion:
- refuse to hear a witness if it considers that the facts with respect to which the witness will testify are either proven by other evidence or are irrelevant;
 - limit or refuse the right of a disputing party to examine a witness when it appears that a question has been addressed by other evidence or is irrelevant; or
 - direct that a witness be recalled for further examination at any time.
57. It shall not be improper for counsel to meet witnesses and potential witnesses to establish the facts, prepare the witness statements, and prepare the examinations.

d) Expert Witnesses

58. Each party may retain and submit the evidence of one or more experts to the Arbitral Tribunal. The procedural rules set out above shall apply to the evidence of experts.
59. Subject to NAFTA Article 1133, the Arbitral Tribunal may, at the request of a disputing party, or unless the disputing parties disapprove, on its own initiative, appoint one or more experts to address one or more of the matters listed in that Article. The Arbitral Tribunal shall consult with the disputing parties on the selection, terms of reference (including expert fees) and conclusions of any such expert. The Arbitral Tribunal may, on its own initiative or at the request of any disputing party, take oral evidence of any such expert(s). The procedural rules set out above shall apply by analogy.

This Procedural Order is issued in the Place of Arbitration, this June 4, 2008. Upon consultation with the parties and for good cause, the Arbitral Tribunal may at any time amend this Procedural Order.
